

CALL FOR NOMINATIONS

**CAPT seeks nominations of individuals
to stand for election to its 2023 National Board of Directors**
Please note the deadline for nominations: February 28, 2023

Background:

The CAPT Board of Directors is the organization's national governing body. It comprises 15 directors who are elected and allowed to serve three successive two-year terms. Any current member of CAPT may stand for election to one of the 15 seats.

The Executive Committee will serve as the Nominations Committee and will develop a list of candidates to be presented to the Board of Directors and then on to Members. Members in good standing will elect the 15 directors from a list presented. The list will consist of current Board members eligible and willing to stand for re-election and individuals not currently serving on the Board but who are nominated by CAPT members or themselves.

Board membership requires a dedicated commitment of time – approximately ten to fifteen days per year – and dependable availability to attend all meetings (including the Annual General Meeting) and undertake activities on CAPT's behalf throughout the term of office. In addition, personal efforts to help cover costs of board participation are expected. Every effort will be made to create a budget that will include partial funding for travel to in person meetings when this is again possible, for the Board of Directors from out of province as the funds allow. For now, the meetings will all be held on-line.

Selection Criteria:

In selecting nominees, the current Board of Directors will consider CAPT needs for national representation on the Board to be filled by persons who:

- have institutional and individual credibility at national, regional and/or international levels in the Mental Health profession and/or specifically Play Therapy;
- have experience at managerial levels and/or as a member of other boards of directors;
- possess relevant specialized knowledge or skills; and,
- have demonstrated an active commitment to CAPT's mission, vision, values and programs.

The Nominations Committee will also consider CAPT's needs for a Board that collectively is:

- broadly representative of CAPT's national reach and geographic diversity;
- broadly representative of CAPT's membership composition (by institution type, national location, etc.);
- be diverse in terms of gender, age, race, ethnicity and cultural background;
- diverse in terms of experience and skills; and,
- conducive toward maintaining an appropriate measure of continuity.
- come to the Board of Directors table with an understanding of contribution to the association.
