**Subject:** AGM Training Opportunities and Announcing our new Executive Director

## **CAPT Introduces Our New Executive Director**

### **SCOTT KETTLES**

The Canadian Association for Play Therapy (CAPT) is pleased to introduce Scott Kettles as the new Executive Director for CAPT. Scott is the owner and CEO of Kettles Association Management Services, and he joins us with many years of experience as an association management professional. His focus on leadership in the non-profit sector prepares him to provide CAPT with continuing guidance in community engagement, diversity and inclusion, advocacy, board relations and strategic planning. Scott also has a sound background in budgeting, operations, and financial management.

As Elizabeth Sharpe steps down as Executive Director at the end of March, she and Scott will work together over the next few weeks to transition information and history to Scott.

As a self certifying association, with a focus on advocacy, inclusion, education, and certification of play therapists across Canada, CAPT is a complex organization, and it will take time for Scott to absorb everything involved. We are confident that Scott's background and experience will be an enhancement to CAPT through its next phase of growth.

To contact Scott email him at: [Scott@canadianplaytherapy.com](mailto:Scott@canadianplaytherapy.com)

## 2022 Annual General Meeting Training

### Digital Play Therapy™: Clinical Foundations and Therapeutic Use

Friday, April 29 and Saturday, April 30, 2022

**Jessica Stone, Ph.D., RPT-S**

#### *Overview:*

Join us for this informative, fun presentation which focuses on the responsible integration of digital tools in play therapy, the importance of speaking the client's language, and honoring the client's culture – with plenty of fun and experiential exercises sprinkled throughout! Digital Play

Therapy™ is not about jumping on some trendy bandwagon; it is about appropriately incorporating cultural shifts and having a foundation for such inclusion.

## Using Play Therapy to work with Children and Youths with ADHD

Sunday, May 1 & Monday May 2, 2022

**Instructor**

**Danny Seto MPsy, MDiv, BEd, RP, RMFT. CPT**

### *Overview:*

This training will support and prepare Play Therapists to work with clients who face challenges associated with ADHD.

Participants will be engaged in both theoretical and play therapy experiential exercises on working with children, adolescents and supporting their families who are diagnosed with ADHD.
