

**Canadian Association for Play Therapy (CAPT)  
Annual General Meeting & Conference  
May 5 - 6, 2023  
Hilton Fallsview Hotel and Conference Center  
Niagara Falls, Ontario**  
*(presented in a hybrid model, in person & on-line)*

CAPT is rolling out the red carpet to honour members and supporters after a long hiatus apart! It is a reunion of sorts where colleagues will reunite and new members will gather to meet with new friends from May 5 – 6, 2023. The intention is to offer this opportunity in this amazing retreat and the natural setting of Niagara Falls, ON to celebrate the future of play therapy in Canada! It is also a time to reunite with colleagues from across the country who are unable to make the trip to Niagara Falls.

This year's national event will be held in person face to face as well as in an on-line format for those in more remote regions who will be unable to make the commute to Niagara Falls. The in-person opportunity will offer a Friday night reception followed by the CAPT annual general meeting.

To support our play therapy members and recognizing the extreme challenges faced by all mental health professionals in Canada, we are offering learning opportunities presented by those experienced and well known in Canada for their expertise. Our theme:
