

Reflecting and Renewing

CAPT Supervision Advanced On-Line Continuing Education Course

Overview:

This course aims to provide advanced training for CAPT Certified Play Therapist Supervisors to review and reflect on their supervision responsibilities and experiences; and further improve their supervision skills.

Learning Outcomes:

1. Review and reflect on ethical, legal and culture issues related to the supervision
2. Share and reflect on successes and challenges throughout the supervision experiences
3. Review and reflect on the relationship between supervisee's needs and supervisor's styles
4. Provide advanced Play Therapy supervisory techniques for both individual and group formats
5. Address Play Therapy supervision in the technological world
6. Review changes in Play Therapy forms and documentation requirements

Instructor: Hannah Sun Reid

Hannah Sun-Reid, a Registered Psychotherapist, a Certified Play Therapist, Supervisor and Training provider; and a certified Practitioner, Consultant and Trainer in both DDP and Theraplay. Hannah has 30 years' experience working with children and families who experience life challenges including developmental and emotional difficulties, trauma and loss. Hannah provides supervision and consultation to therapists and organizations; and conducts training workshops nationally and internationally. Hannah is also an author of children's books and therapeutic games. Hannah lives and works in Ontario Canada.
