MAREAS

Therapeutic Services for Children & Families

HIRING PLAY THERAPIST

This is a unique opportunity to be a part of a growing agency offering a variety of services to our community, including supports for our Foster Care Program, licensed through the Ministry of Children, Community & Social Services. We select team members based on their expertise, passion and commitment to children and families.

We are currently seeking individuals who are open-minded, proactive, and creative to join our eclectic team of professionals working with children, youth and families. The ideal candidate will have a trauma focused lens, experience conducting assessments and implementing individualized treatment plans based on the needs of their clients. The Play Therapist must have excellent communication skills and the ability to work cohesively within our multi-disciplinary team.

Eliminating barriers to services by meeting clients where they are at physically,
spiritually & emotionally.
