

**Canadian Association for Play Therapy (CAPT) Annual General Meeting & Conference  
May 3rd - 4th, 2024**

**Oceanstone Resort, Indian Harbour, Nova Scotia**

**(available both in-person and virtually)**

Join the CAPT as we convene on the scenic shores of Nova Scotia for a gathering focused on resilience and community building through play therapy. This event promises to be a rejuvenating experience, offering a blend of professional development and networking opportunities.

**Exhibitor Opportunities**

This unique setting provides an unparalleled opportunity to showcase your products and services to a dedicated group of mental health professionals and play therapists. Engage with attendees through:

**Tabletop Exhibit:** A limited space for companies to display their innovations and discuss unique features directly with potential clients. Pricing for CAPT members is \$180 per day, while non-members can participate at \$210 per day.

Each Tabletop exhibit includes a draped 6' table and a company identification sign. Electrical access may be available for an additional fee.

**Sponsorship Opportunities:** Gain enhanced exposure by sponsoring specific segments of the conference. Options include sponsoring the Saturday training (\$300), one of four coffee breaks (\$50 each), and Saturday lunch (\$500). Sponsorship benefits include website placement, conference program listing, event signage, and special recognition during the meeting.

Your participation not only heightens your visibility within the play therapy community but also supports the continued growth and education of mental health professionals across Canada.

For more information or to secure your spot, please reach out to the CAPT office directly at [admin@canadianplaytherapy.com](mailto:admin@canadianplaytherapy.com)
