

CAPT 2024 Annual General Meeting & Training

CAPT members gathered this year to celebrate the success and growth of Play Therapy in the East of our great Country. Over the past few years, the Maritimes have endured a lot of challenges and we wanted to explore how these challenges are represented and overcome in the Play Room, what is resiliency and how does it support communities to overcome the many challenges they face. We explored that subject with our Play Therapists in the East in order to learn and grow from their incredible strength and perseverance.

Our theme was Resilient Communities: Renewal and Rebuilding in the Playroom

Nicole Perryman RSW, CPT-S, RP

Presented a workshop where members joined together to discuss how to transform difficult experiences into sources of strength. Through experiential exercises the participants had the opportunity to discover

strategies and tools that not only enhance practice but also enrich outcomes for clients.

Members also participated in an informative Q & A session with our panelists:

Cynthia Manley, Nova Scotia

MA, RCT, CCC, CPT

Ricky McIntyre, New Brunswick
